Assists in learning early reading skills. 3 levels

- **The Active Educator**

A fun and interactive education platform which allows downloads of fun maths and literacy games.

- **Online Jigsaws**

Jigsaw activities specifically for those who are just learning how to use a mouse or touch screen. Each jigsaw has only four pieces which are dragged and dropped with a large high contrast mouse pointer.

- **NCSE Online Resources**

Online resources for children with Special Educational Needs who are at home as a result of the schools' closure. Resources are available for both parents & teachers.

- **Worksheets created by Retired Teachers in the USA**

A group of retired teachers have come together in the USA with a simple goal – to make free worksheets available for teachers and home use. They have created a number of worksheets across various useful topics and these free resources can be accessed on their website at this link:

<https://15worksheets.com>. Some of the vocabulary used is different to the vocabulary used in Ireland. However, teacher and parents can use their discretion with the worksheets they select.
