

NCSE/ DSI Information Webinar

New Measures to Support Forward Planning for Special Education Provision

Circular 0080/2024

We were delighted to collaborate with the NCSE in facilitating an important information webinar for parents/guardians of school aged children, where we were joined by two National Coordinators from the NCSE, Stephanie Kelly and Sarah Ledwidge, on the night. The webinar addressed the following topics:

- Overview of the National Council for Special Education -The role of the SENO
- Overview of the recently published circular 0080/2024 “Forward Planning for Special Education”
- Q/A

A recording of the webinar is now available at this [link](#)
